

# Unicorn Jewelry Design Company Limited

Unicorn Jewelry Design Company Limited has committed to providing supreme quality fine jewellery to customers from the very start. Unicorn engages in branding, designing, marketing and fine jewellery distribution, which makes it an all-rounded and outstanding jewellery maker and wholesaler in the industry. In particular it is a unique designer. Its consistency in promoting innovative design, combining with excellent craftsmanship, refreshes the eyes of gem lovers and stimulates the industry by injecting fresh and new ideas.

Nevertheless, Unicorn dedicates itself to providing the most precise quality control and professional services to customers, hence enable it to secure its distribution network such as designer retail chains, medium-to-high-end market wholesale chains and fine jewellers, and the prominent reputation in the local jewellery industry in Hong Kong.
