

Ceramics, Tiles & Sanitary Ware China together with other concurrent Events with one mission, “Innovation & Design”

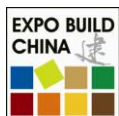

The world's largest space design and decoration exhibition "HDD" (**Hotelex + Design & Deco**) presented a variety of new trends and live events for the wide hospitality market. The exhibition exceeded the total area of 165,000 square meters, more than 2,000 domestic and overseas suppliers and 80,000 visitors from all over the world.

The concept of "HDD" was introduced by the organizers **UBM Sinoexpo**. "HDD"- Focusing on hospitality as being the essential core of the hotel and retail industry, HDD has integrated eight themed shows-HOTELEX, EXPO FINEFOOD, HOTEL FURNITURE, EXPO BUILD, CERAMICS, Tiles & Sanitary Ware, EXPO DECO, EXPO LIGHT, CCE (China Clean Expo) and EXPO SHOP. HDD 2012 is expecting 2,200 exhibitors and 100,000 visitors, with a total exhibition space of 200,000 sq m

The Expo is designed to target high-end recreational spaces such as hotels, restaurants, private clubs, bars, boutiques, villas and mansions and caters to merchandisers, contractors, architects, interior designers and high-end residential property owners. HDD aims to allow business owners to make the most of the infinite business opportunities which have been triggered by the real estate and tourism boom in China. This has in turn enabled the hotel industry and its additional design and decoration industry to thrive

Ceramics, Tiles & Sanitary Ware China 2011 as a primary sector of HDD, attracted leading brands: Roca, Novogres, Natucer, Petracers, Apavisa, Litokol, Sire, TOTO, Aparici, ONIX, CrystalKer and much more...

The Organizers of the show made a great effort to build series of matching activities, which not only added the features of the event, but also served the needs of the exhibitors and visitors.
