

EXPO BUILD CHINA 2012

2012.4.9-4.12

Shanghai New International Expo Center

ExpoBuild China 2011 - Fruitful Results with a Roadmap to Success

Expo Build China saw an excellent close on April 01 2011. There were **482** exhibitors and around **40,000** visitors in an area of **70,000** sq m. Increase in famous international brands and high-quality visitors who came from different sectors; interior designers, contractors, hotel developers, real estate agents and architects.

The show has been successfully running for 19 years and features premium building materials such as; interior decoration, architecture design, doors, windows, floors, glass, eco-friendly buildings, wall coverings, roofing, and much more.

Different activities and events were held and the theme for this year was "New Eco Live". The festival showcased, examined and discussed the relationship between energy-saving, building materials and interior design. Participants experienced the beauty of eco-friendly design through forums, display areas and awards. The most popular events included: Eco-building & Urban Development Forum; 2011 Low-Carbon Summit on Sustainable Development; Area Dialogue & 2011 Golden Bund Award Ceremony; Conversation with Chinese and Foreign Designers, and others.
